

# This Is Love

PJ Harvey

I can't believe life's so complex  
When I just wanna sit here and watch you undress  
I can't believe life's so complex  
When I just wanna sit here and watch you undress This is love, this is love that I'm feelin'  
This is love, this is love that I'm feelin'  
This is love, love, love that I'm feelin' Does it have to be a life full of dread?  
Wanna chase you 'round the table, wanna touch your head  
Does it have to be a life full of dread?  
Wanna chase you 'round the table, wanna touch your head This is love, this is love that I'm  
feelin'  
This is love, this is love that I'm feelin'  
This is love, love, love, love that I'm feelin'  
I can't believe that the axis turns  
On suffering when you taste so good  
I can't believe that the axis turns  
On suffering when my head it burns Now, love, love, love that I'm feelin'  
This is love, this is love that I'm feelin'  
This is love, love, love, love that I'm feelin' Even in the summer, even in the spring  
You'll never get too much of a wonderful thing You're the only story that I've never told  
You're my dirty little secret, wanna keep you so  
You're the only story that I've never been told  
You're my dirty little secret, wanna keep you so Come on out, come on over, help me forget  
Keep the walls from falling as they're tumbling in  
Come on out, come on over, help me forget  
Keep the walls from falling on me tumbling in  
Keep the walls from falling as they're tumbling in  
This is love, this is love that I'm feelin'  
This is love, this is love that I'm feelin'  
This is love, this is love that I'm feelin'  
This is love, love, love, love that I'm feelin' This is love, love, love that I'm feelin'  
This is love, love, love that I'm feelin'  
This is love, love, love, love that I'm feelin'  
This is love, this is love that I'm feelin'
