This Is Love

PJ Harvey

I can't believe life's so complex When I just wanna sit here and watch you undress I can't believe life's so complex

When I just wanna sit here and watch you undressThis is love, this is love that I'm feelin'

This is love, this is love that I'm feelin'

This is love, love, love that I'm feelin'Does it have to be a life full of dread?

Wanna chase you 'round the table, wanna touch your head

Does it have to be a life full of dread?

Wanna chase you 'round the table, wanna touch your headThis is love, this is love that I'm feelin'

This is love, this is love that I'm feelin'
This is love, love, love, love that I'm feelin'
I can't believe that the axis turns
On suffering when you taste so good

I can't believe that the axis turns
On suffering when my head it burnsNow, love, love, love that I'm feelin'

This is love, this is love that I'm feelin'

This is love, love, love, love that I'm feelin'Even in the summer, even in the spring You'll never get too much of a wonderful thing You're the only story that I've never told

You're my dirty little secret, wanna keep you so

You're the only story that I've never been told

You're my dirty little secret, wanna keep you soCome on out, come on over, help me forget

Keep the walls from falling as they're tumbling in

Come on out, come on over, help me forget

Keep the walls from falling on me tumbling in

Keep the walls from falling as they're tumbling in

This is love, this is love that I'm feelin'

This is love, this is love that I'm feelin'

This is love, this is love that I'm feelin'

This is love, love, love, love that I'm feelin'This is love, love, love that I'm feelin'

This is love, love, love that I'm feelin'

This is love, love, love that I'm feelin'

This is love, this is love that I'm feelin'
