

# Smile

Lily Allen

When you first left me  
I was wanting more  
But you were fucking that girl next door  
What'cha do that for?  
When you first left me  
I didn't know what to say  
I never been on my own that way  
Just sat by myself all day I was so lost back then  
But with a little help from my friends  
I found a light in the tunnel at the end  
Now you're calling me up on the phone  
So you can have a little whine and a moan  
And it's only because you're feeling alone  
At first when I see you cry  
Yeah it makes me smile  
Yeah it makes my smile  
At worst I feel bad for a while  
But then I just smile  
I go ahead and smile Whenever you see me  
You say that you want me back  
And I tell you it don't mean jack  
No it don't mean jack  
I couldn't stop laughing  
No I just couldn't help myself  
See you messed up my mental health  
I was quite unwell  
I was so lost back then  
But with a little help from my friends  
I found a light in the tunnel at the end  
Now you're calling me up on the phone  
So you can have a little whine and a moan  
And it's only because you're feeling alone At first when I see you cry  
Yeah it makes me smile  
Yeah it makes my smile  
At worst I feel bad for a while  
But then I just smile  
I go ahead and smile La la la  
La la la  
La la la  
La la la  
La la la  
La la la

La la la  
La la la  
La la la  
La la la  
La la la  
La la la

La la la At first when I see you cry  
Yeah it makes me smile  
Yeah it makes my smile  
At worst I feel bad for a while  
But then I just smile  
I go ahead and smile  
At first when I see you cry  
Yeah it makes me smile  
Yeah it makes my smile  
At worst I feel bad for a while  
But then I just smile  
I go ahead and smile
