All of Your Life (You Need Love)

Backstreet Boys

Hey

Yeah, yeah

I wanna know

Can we spend this life together

Be a shield from rain and weather

Tell me can I

Baby tell me can I be your manLet's be lovers (be lovers)

Girl I promise to be faithful

True and honest, yeah, forever

I know you been hurt

But you really need to give us a chance

Cuz...

You need love

Please don't change the way you are

Soon you'll live within my heart

You deserve it, you know it

You've been searching for it all of your life

You need love

Don't be scared to try again

You can rest upon a chance

And I'll hold you, I'll save you

You've been searching for it all of your life

You need love (you need love)I need to know

Can I be the one you trust?

Be your friend I'll give you all

All of the things you dream of

Tell me, can I be your man?

Hole your heart

There's a wound I wanna heal

If you need me I'll be here

Here to fix what broke

Let me change the life you liveYou need love

Please don't change the way you are

Soon you'll live within my heart

You deserve it, you know it

You've been searching for it all of your life

And I'll hold you, I'll save you
