

# Love Me Like I'm Not Made of Stone

Lykke Li

There's a heart I cannot hide  
There's a beat I can't deny  
When it sings, when it lies  
when it cheats, when it bribes  
There is a war inside my core  
I hear it fight, I hear it roar  
Go ahead, go ahead  
Lay your head where it burns Even though it hurts, even though it scars  
Love me when it storms, love me when I fall  
Every time it breaks, every time its torn  
Love me like I'm not made of stone  
Love me like I'm not made of stone  
A devil's hand across my heart  
As we dance through the dark  
So go ahead, go ahead  
Love me deep, until you can't Even though it hurts, even though it scars  
Love me when it storms, love me when I fall  
Every time it breaks, every time its torn  
Love me like I'm not made of stone  
Love me like I'm not made of stone Love me hard until it heats  
Will you love my scars so I can heal  
Even though it hurts, baby, scars  
Love me when I fall, it breaks baby, it's torn baby, every storm Love me like I'm not made of  
stone  
Love me like I'm not made of stone  
Love me like I'm not made of stone
