

# All About Tonight

Blake Shelton

Don't bother telling me what I got coming in the morning  
I already know

I got some feelgood pills and a red Gatorade by my bed  
...Ready to go

I'm gonna do my best to dance with every girl in this bar  
Before they shut it down

Then I'll pay my tab, climb in a cabHeadin' to a spot downtown  
It's all about tonight

Good times, and the music and laughing, and grooving to the band

...

Everybody's getting right

No worries, we're rocking all kinds of concoctions in our hands

...

Yeah, tomorrow can wait 'til tomorrow

It's all about tonight

...Hey pretty thing

I've been looking at you since the moment that you walked in

...

I got some wild-ass buddies that love spending moneyAnd I see you brought a couple of friends

Just tell me your name

I don't need your number or a date next Saturday

...

Baby, let's act like fools, break a few rules

Party the night awayIt's all about tonight

Good times, and the music and laughing, and grooving to the band

Everybody's getting right

No worries, we're rocking all kinds of concoctions in our hands

...

Yeah, tomorrow can wait 'til tomorrow

It's all about tonight

Haha, slide...

It's all about tonight

Good times, and the music and laughing, and grooving to the band

Everybody's getting right

No worries, we're rocking all kinds of concoctions in our hands

...

Yeah, tomorrow can wait 'til tomorrow

I said tomorrow can wait 'til tomorrow

It's all about tonight

Yeah, it's all about tonight

Come on, it's all about tonight

We're gonna get our swerve on, a buzz on

...

It's all about tonight  
Come on, baby, I wouldn't worry about that

...

It's all about tonight
