

# Dare to Dream

Jo Dee Messina

You and me baby, can meet for the weekend  
To solidify all our plans  
We'll follow a jet stream to some place exotic  
All in the name of romance Cause we're still young and in love  
And we just believe  
We can be strong and do anything  
If we dare to dream  
All in the name of romance...  
'cause We're still young and in love  
And we just believe  
We can be strong and do anything  
If we dare to dream  
We'll find a place on a cliff by the ocean  
And pay a couple months' rent  
I'll sell my paintings down by the board walk  
So we'll have money to spend... We're still young and in love  
And we just believe  
We can be strong and do anything  
If we dare to dream Dare to dream, take it to the extreme  
Let your heart and soul lead the way  
Live, Love, seize the day and  
Dare to dream, dare to dream, dare to dream Don't try to stop us don't tell us we're crazy  
You're only wasting your breath  
We're bound and determined to make it all happen  
It's just a matter of when  
'cause  
We're still young and in love  
and we just believe  
We can be strong and do anything  
If we dare to dream
