

Cryin' Time (feat. Ray Charles)

Barbra Streisand

Oh it's crying time again
You're gonna leave me
I can see that faraway look in your eyes
I can tell by the way you hold me, darling
That it won't be long
Before it's crying time Oh they say that absence makes
The heart grow fonder
(Fonder)
And that tears are on their way
To make love grow
(Grow)
Well, my love for you could never
Never, never, never grow no stronger
(Stronger)
If I live to be a hundred
And I say a hundred years old Oh you say that you've found someone
You love better
That's the way it's happened
Every time before
(Before) And as sure as the sun comes out tomorrow
(Tomorrow)
Crying time will start
When you walk out
When you walk out my door
Oh it's crying time again
You're gonna leave me
(I can feel it now)
I can see that faraway look in your eyes
(I can feel it now)
(I can see it baby in your eyes)
I can tell by way you hold me, darling
That it won't be long before it's crying time
No it won't be long before it's crying time
