(Where they at though) Badinga ding ding x2

Throw money in the air Chachinga ching ching

Cause we don't really care For a tinga ting ting

Cold as ice Balinga ling ling

Badinga ding ding x2

Throw money in the air Chachinga ching ching

Cause we don't really care A tinga ting ting

Cold as ice Balinga ling ling

Lord yes I am a don

The lord send me back from here to hong kong

I'm way ahead of my time I'm long gone Everybody cheers for me no pom pom

Let me hit them with the boss

Cause I pity the fool I got too much class like a kid in the school

Word up Killing the truth Tell your man I'll be back in a minute or two

Throw money in the air Chachinga ching ching

Cause we don't really care For a tinga ting ting

Cold as ice Balinga ling ling

Badinga ding ding x2

Throw money in the air Chachinga ching ching

Cause we don't really care For a tinga ting ting

Cold as ice Balinga ling ling

Balinga ling ling

Boom boom
