

# Yayo

## Lana Del Rey

I like the snake on your tattoo  
I like the ivy and the ink blue  
Yayo, yes you, yayo You have to take me right now  
From this dark trailer park life now  
Yayo, how now, yayo Put me onto your black motorcycle  
's baby doll dress for my "I do"  
It only take two hours to Nevada  
I wear your sparkle  
You call me your mama  
Let me put on a show for you, daddy  
Let me put on a show  
Let me put on a show for you, tiger  
Ahh-ah-ah, let me put on a show  
I need you like a baby when I hold you  
Like a druggie, like I told you  
Yayo, yeah you, yayo Put me onto your black motorcycle  
's baby doll dress for my "I do"  
It only takes two hours to Nevada  
I wear your sparkle  
You call me your mama  
Let me put on a show for you, daddy  
Let me put on a show  
Let me put on a show for you, tiger  
Ahh-ah-ah, let me put on a show Hello, heaven  
You are a tunnel lined with yellow lights  
On a dark night  
Yayo, yes you, yayo  
Put me onto your black motorcycle  
's baby doll dress for my "I do"  
It only takes two hours to Nevada  
I wear your sparkle  
You call me your mama  
Let me put on a show for you, daddy  
Let me put on a show  
Let me put on a show for you, tiger  
Ahh-ah-ah, let me put on a show
