

Yayo

Lana Del Rey

I like the snake on your tattoo
I like the ivy and the ink blue
Yayo, yes you, yayo You have to take me right now
From this dark trailer park life now
Yayo, how now, yayo Put me onto your black motorcycle
's baby doll dress for my "I do"
It only take two hours to Nevada
I wear your sparkle
You call me your mama
Let me put on a show for you, daddy
Let me put on a show
Let me put on a show for you, tiger
Ahh-ah-ah, let me put on a show
I need you like a baby when I hold you
Like a druggie, like I told you
Yayo, yeah you, yayo Put me onto your black motorcycle
's baby doll dress for my "I do"
It only takes two hours to Nevada
I wear your sparkle
You call me your mama
Let me put on a show for you, daddy
Let me put on a show
Let me put on a show for you, tiger
Ahh-ah-ah, let me put on a show Hello, heaven
You are a tunnel lined with yellow lights
On a dark night
Yayo, yes you, yayo
Put me onto your black motorcycle
's baby doll dress for my "I do"
It only takes two hours to Nevada
I wear your sparkle
You call me your mama
Let me put on a show for you, daddy
Let me put on a show
Let me put on a show for you, tiger
Ahh-ah-ah, let me put on a show
