Shell Shock

Heart

Shell Shock

ALBUM 'Heart (1985)I can snap my fingers and get quick results
I can wink my eyes and melt their little hearts
Something hit me brought me to my knees

Something hit me, no remedies You came out shooting, you left me stunned

I know I'm losing it, look what you have done

Shell shock shell shock

You got me in your love lock

Shell shock shell shock

I can't escape it no I can't shake itYou crept up behind me

A rival to my heart

Hit me with your charms baby

Caught me in the dark

You made me like a bandit, made yourself a hero

I couldn't stand it, will power zeroYou came out shooting, you left me stunned

I know I'm losing it, look what you have done

Shell shock shell shock

You got me in a love lock

Shell shock shell shock

I can't escape it no, I can't shake it

But I like it, I like it a lot

I like it, I like it a lot

Shell shock shell shockSomething hit me brought me to my knees

Something hit me, no remedies

You came out shooting, you left me stunned

I know I'm losing it, look what you have done

Shell shock shell shock

Shell shock shell shock

Shell shock shell shock

Shell shock shell shock
