

People Are People

Depeche Mode

People are people, so why should it be
You and I should get along so awfully?
People are people, so why should it be
You and I should get along so awfully? So we're different colours and we're different creeds
And different people have different needs
It's obvious you hate me though I've done nothing wrong
I've never even met you, so what could I have done? I can't understand
What makes a man
Hate another man
Help me understand People are people, so why should it be
You and I should get along so awfully?
People are people, so why should it be
You and I should get along so awfully?
And now you're punching and you're kicking and you're shouting at me
I'm relying on your common decency
So far, it hasn't surfaced but I'm sure it exists
It just takes a while to travel from your head to your fist I can't understand
What makes a man
Hate another man
Help me understand People are people, so why should it be
You and I should get along so awfully?
People are people, so why should it be
You and I should get along so awfully? I can't understand
What makes a man
Hate another man
Help me understand
I can't understand
What makes a man
Hate another man
Help me understand I can't understand
What makes a man
Hate another man
Help me understand I can't understand
What makes a man
Hate another man
Help me understand I can't understand
What makes a man
Hate another man
Help me understand I can't understand
What makes a man
Hate another man
Help me understand
I can't understand
