

Prince & The New Power Generation

All 7 and we'll watch them fall
 They stand in the way of love and we will smoke them all
 With an intellect, and a savoir-faire
 No one else in the whole universe will ever compare
 I am yours now and, you are mine and to-
 -gether we'll love through all
 Space and time, so don't cry...
 One day all 7 will die
 All 7 and we'll watch them fall
 They stand in the way of love and we will smoke them all
 With an intellect, and a savoir-faire
 No one else in the whole universe will ever compare
 I am yours now and, you are mine and to-
 -gether we'll love through all
 Space and time, so don't cry
 One day all 7 will die
 And I saw an angel come down unto me
 In her hands she holds the very key
 Words of compassion, words of peace
 And in the distance, an army's marching feet (Hup 2 3 4 - Hup 2 3 4)
 But behold... we will watch them fall
 And we lay down on the sand of the sea
 And before us animosity will stand and decree
 That we speak not of love only blasphemy
 And in the distance, 6 others will curse me
 But that's alright (that's alright)
 For I will watch them fall (1 2 3 4 5 6 7)
 All 7 and we'll watch them fall
 They stand in the way of love and we will smoke them all
 With an intellect, and a savoir-faire
 No one else in the whole universe will ever compare
 I am yours now and, you are mine and to-
 -gether we'll love through all
 Space and time, so don't cry
 One day all 7 will die
 (Just how old?)
 And we will see a plague and a river of blood
 And every evil soul will surely die in spite of
 Their 7 tears, but do not fear
 For in the distance, 12 souls from now
 You and me will still be here...
 We will still be here
 There will be a new city with the streets of gold
 The young so educated they never grow old, and
 There will be no death, for with every breath
 A voice of many colors sings a song that's so... bold
 Sing it while we watch them fall (fall...)
 All 7 and we'll watch them fall

They stand in the way of love and we will smoke them all
With an intellect, and a savoir-faire
No one else in the whole universe will ever compare
I am yours now and, you are mine and to-
-gether we'll love through all
Space and time, so don't cry...
One day all 7 will die(Just how old)
(Just how old)
(Just how old)
