

## Prince & The New Power Generation

All 7 and we'll watch them fall  
 They stand in the way of love and we will smoke them all  
 With an intellect, and a savoir-faire  
 No one else in the whole universe will ever compare  
 I am yours now and, you are mine and to-  
 -gether we'll love through all  
 Space and time, so don't cry...  
 One day all 7 will die  
 All 7 and we'll watch them fall  
 They stand in the way of love and we will smoke them all  
 With an intellect, and a savoir-faire  
 No one else in the whole universe will ever compare  
 I am yours now and, you are mine and to-  
 -gether we'll love through all  
 Space and time, so don't cry  
 One day all 7 will die  
 And I saw an angel come down unto me  
 In her hands she holds the very key  
 Words of compassion, words of peace  
 And in the distance, an army's marching feet (Hup 2 3 4 - Hup 2 3 4)  
 But behold... we will watch them fall  
 And we lay down on the sand of the sea  
 And before us animosity will stand and decree  
 That we speak not of love only blasphemy  
 And in the distance, 6 others will curse me  
 But that's alright (that's alright)  
 For I will watch them fall (1 2 3 4 5 6 7)  
 All 7 and we'll watch them fall  
 They stand in the way of love and we will smoke them all  
 With an intellect, and a savoir-faire  
 No one else in the whole universe will ever compare  
 I am yours now and, you are mine and to-  
 -gether we'll love through all  
 Space and time, so don't cry  
 One day all 7 will die  
 (Just how old?)  
 And we will see a plague and a river of blood  
 And every evil soul will surely die in spite of  
 Their 7 tears, but do not fear  
 For in the distance, 12 souls from now  
 You and me will still be here...  
 We will still be here  
 There will be a new city with the streets of gold  
 The young so educated they never grow old, and  
 There will be no death, for with every breath  
 A voice of many colors sings a song that's so... bold  
 Sing it while we watch them fall (fall...)

All 7 and we'll watch them fall

They stand in the way of love and we will smoke them all  
With an intellect, and a savoir-faire  
No one else in the whole universe will ever compare  
I am yours now and, you are mine and to-  
-gether we'll love through all  
Space and time, so don't cry...  
One day all 7 will die(Just how old)  
(Just how old)  
(Just how old)
