

Paths of Victory

Cat Power

The trail is dark and dusty
The road is kinda rough
But the road up yonder
With the cinders on the side. Trails of troubles
And your road of battle,
They lead paths of victory
We shall walk I walked out to the valley
Turned my head up high.
Seen that silver linin'
That was hangin' in the sky
Trails of troubles
And your road of battles,
In the paths of victory
We shall walk The mountain was a-movin'
The hummin' of its wheels,
Told me of the new day
That was coming across the fields Trails of troubles
And roads of battles,
They lead paths of victory
We shall walk The gravel road is bumpy,
It's a hard old road to ride,
But the good road is waitin'
And the boys it ain't far off.
Trails of troubles
And your roads of battle,
They lead paths of victory
We shall walk
