

# Keep It Real

## Jonas Brothers

There came a day when the songs that you play  
Are blasting through the speakers in your car  
It comes in a flash and you hear the crowd  
Screaming out your name for the encore  
Livin' life  
Life in the fast lane  
Not that bad  
No one can complain  
Who's to say  
That we won't keep it real  
Hold on tight  
Don't you dare let go  
Now's the time to let the whole world know  
You can shine bright but still keep it real  
Who could know that you'd be on the road  
Selling out the tickets to your show  
Where you're from you're still the one  
You were before you left to go on tour  
Livin' life  
Life in the fast lane  
Not that bad  
No one can complain  
Who's to say  
That we won't keep it real  
Hold on tight  
Don't you dare let go  
Now's the time to let the whole world know  
You can shine bright but still keep it real  
Did you ever think your dreams  
Would become a reality?  
All you did was just believe  
Livin' life  
Life in the fast lane  
Not that bad  
No one can complain  
Who's to say  
That we won't keep it real  
Yeah  
Livin' life  
Life in the fast lane  
Not that bad  
No one can complain  
Who's to say  
That we won't keep it real  
Hold on tight  
Don't you dare let go

Now's the time to let the whole world know  
You can shine bright but still keep it real
