

# 1-900-Off-Your Square

## Crucial Conflict

Special bulletin from Rall Dope Records  
Have you been feelin' like a laim?  
Have you been plaid by bitch?  
Do niggas mass up at you when you come around?  
Does your car straight bustin' out with flat tires every day? If you've been havin' these  
contractions  
Dial 1-900-I'm-off my muthafuckin' square  
And we'll come and beat your muthafuckin' ass for fallin' out  
Thank you for your punkass time  
Sincerely, flict nigga
