

World In My Eyes

Depeche Mode

Let me take you on a trip
Around the world and back
And you won't have to move You just sit still
Now let your mind do the walking
And let my body do the talking Let me show you the world in my eyes
I'll take you to the highest mountain To the depths of the deepest sea
And we won't need a map believe me
Now let my body do the moving
And let my hands do the soothing
Let me show you the world in my eyes
That's all there is Nothing more than you can feel now
That's all there is Let me put you on a ship
On a long, long trip
Your lips close to my lips All the islands in the ocean
All the heaven's in the motion
Let me show you the world in my eyes
That's all there is
Nothing more than you can touch now
That's all there is
Let me show you the world in my eyes
Let me show you the world in my eyes
Let me show you the world in my eyes
Let me show you the world in my eyes
Let me show you the world in my eyes
Let me show you the world in my eyes
Let me show you the world in my eyes
