Figure It Out

[Royal Blood](#)

Nothing here to see
Just a kid like me
Trying to cuss and see
Trying to figure it outNothing better to do
When I'm stuck on you
And still I'm here
Trying to figure it outGetting hard to sleep
But it is in my dreams
But it's killing me
To try and figure it out
Nothing better to do
When I'm stuck on you
And still I'm here
Trying to figure it outI'll let it go 'cause I won't see you later and I'm not allowed to talk it out
I said I'll come, I'll promise I won't show but I see you trying to figure it out
I promise you, I'll take a bet on you but you didn't know I planned it out
I said I'll go, yeah, I won't see you later and I'm not allowed to figure it outNothing here to see
Just a kid like me
Trying to cuss and see
Trying to figure it outNothing better to do
When I'm stuck on you
And still I'm here
Trying to figure it out
I'll let it go 'cause I won't see you later and I'm not allowed to talk it out
I said I'll come, I'll promise I won't show but I see you trying to figure it out
I promise you, I'll take a bet on you but you didn't know I planned it out
I said I'll go, yeah, I won't see you later and I'm not allowed to figure it out
