

Kelly

Kelly Rowland

[Verse 1]

My skin is my cape, huh
My black is my bitch, huh
Natural face, huh

That's how I wake up
No love for the fake ones
You get what you give, huh
Bills, bills, bills, been spent
Kelendria rich, huh?

[Verse 2]
Sa-saucy on ice, but this shit is sweet

Go another side, that you never seen

Ice on my (?), you watching me

I talk to God, my minutes are free (free)

Two double g's, two double g

Cross the wall through [?]

Lil shit back then, I let that slide, ain't get by me

All they trying to get is an act from me

And it's all for the reach

Back-back up off of me, back up off of me

Rose petals at my feet [Chorus]

Kelly got bands, Kelly got a check

Kelly got wig, Kelly got deals

Kelly got class, Kelly got ass

Kelly's got a man, Kelly pop tabs

Kelly got flex, Kelly got wheels

Kelly got drill, Kelly got a stash

Kelly got a house, big house on a hill

Kelly's so blessed, thick, yes XL

Kelly ain't-Kelly ain't got no chill

Kelly don't really give a fuck how you feel

Kelly ain't humble no mo' nigga

Kelly got a foot on your throat nigga

Kelly ain't humble no mo' nigga

Kelly got a foot on your throat nigga

[Post-Chorus]

Go Kelly go, go go Kelly go

Go Kelly go, go go Kelly [Verse 3]

Cop that bag if it's designer

I'm so rich that I ain't buy it

Don't get tired, I'm too wired

Light it up and get inspired

All my business, keep it private

You know bosses move in silence
And I ride it like it's stolen
'Cuz my name is Kelly Rowland, ahEveryday I meet the quota
Bitch I really thought it was over
I'll always be around, thought I told you
Back up off of me, back up off of me
Forget [?][Chorus]
Kelly got bands, Kelly got a check
Kelly got wig, Kelly got deals
Kelly got class, Kelly got ass
Kelly's got a man, Kelly pop tabs
Kelly got flex, Kelly got wheels
Kelly got drill, Kelly got a stash
Kelly got a house, big house on a hill
Kelly's so blessed, thick, yes XL
Kelly ain't-Kelly ain't got no chill
Kelly don't really give a fuck how you feel
Kelly ain't humble no mo' nigga
Kelly got a foot on your throat nigga
Kelly ain't humble no mo' nigga
Kelly got a foot on your throat nigga[Post-Chorus]
Go Kelly go, go go Kelly go
Go Kelly go, go go Kelly
