

# Overnight

## Parcels

Go back I want  
So bad to hold you back  
It's all offset and on  
Foreign be gone  
I was dead is I want to get  
The reason for no one over now  
The minute I was thinking to hold you back  
The moment I was wishing it's over night  
The minute I was thinking to hold you back  
The moment I was wishing it's over night  
The minute I was thinking to hold you back  
The moment I was wishing it's over night  
The minute I was thinking to hold you back  
The moment I was wishing it's over night  
Slow down, never  
I know now, I know better  
I need it more than ever  
Go back, hotter  
Hold down, I found on the track  
It's all offset and I'm over now  
The minute I was thinking to hold you back  
The moment I was wishing it's over night  
The minute I was thinking to hold you back  
The moment I was wishing it's over night  
The minute I was thinking to hold you back  
The moment I was wishing it's over night  
The minute I was thinking to hold you back  
The moment I was wishing it's over night  
It's over night  
The minute I was thinking to hold you back  
The moment I was wishing  
The minute I was thinking to hold you back  
The moment I was wishing it's over night
