Overnight

Parcels

Go back I want
So bad to hold you back
It's all offset and on
Foreign be gone
I was dead is I want to get

The reason for no one over nowThe minute I was thinking to hold you back

The moment I was wishing it's over night

The minute I was thinking to hold you back

The moment I was wishing it's over night

The minute I was thinking to hold you back

The moment I was wishing it's over night

The minute I was thinking to hold you back

The moment I was wishing it's over nightSlow down, never

I know now, I know better
I need it more than ever
Go back, hotter

Hold down, I found on the track

It's all offset and I'm over now

The minute I was thinking to hold you back

The moment I was wishing it's over night The minute I was thinking to hold you back

The moment I was wishing it's over night

The minute I was thinking to hold you back

The moment I was wishing it's over night

The minute I was thinking to hold you back

The moment I was wishing it's over night

It's over night

The minute I was thinking to hold you back
The moment I was wishing

The minute I was thinking to hold you back
The moment I was wishing it's over night
