

# Let Me Down Easy

Billy Currington

There's a little moonlight dancing on the sand  
There's a warm breeze blowing by the ocean as you're taking my hand  
You need to know, where I'm standing now  
That I'm right on the edge of giving into you  
Baby, it's a long way down  
If I fall, can you let me down easy  
If I leave my heart with you tonight will you promise me that you're gonna treat it right  
I'm barely hanging on  
If I fall, can you let me down easy  
The scent of your perfume floating in the air  
Looking like an angel laying on a blanket with a halo of hair  
And those lips, they're too good to be true  
Once I taste that kiss I know what'll happen  
I'll be at the mercy of you  
If I fall, can you let me down easy  
If I leave my heart with you tonight will you promise me that you're gonna treat it right  
I'm barely hanging on  
So if I fall, can you let me down easy  
If I fall, can you let me down easy  
If I leave my heart with you tonight will you promise me girl you're gonna treat it right  
I'm barely hanging on  
If I fall, can you let me down easy  
If I fall  
Can you let me down easy  
Let me down easy  
Mmmhmmm mmm
