

Saint-Tropez

Post Malone

Such a long time
I've been waiting, I've been waiting for a long time
Such a long time
I've been waiting, I've been waiting for a long time
Such a long time (Ooh)Ooh, this shit bliss, I'm so rich (Cut that shit, ooh)
M's like Abercrombie Fitch (Damn, ooh)
Millie on my (Wrist)
Versace boxers on my dick (On my dick, damn)
Bud Light running through my piss (Ooh)
On a yacht, fifty meters, it's offish (That's official)
Fifty carats on my fist (On my fist)
The roof go down when I hit switch (Ooh, bitch)
I Moneyball like Bradley Pitt (Bradley Pitt yeah)
I work so hard for all this shit (All this shit)
Pumping out classics, in the Batmobile going batshit
Such a long time
I've been waiting, I've been waiting for a long time
Such a long time
I've been waiting, I've been waiting for a long time
Such a long time I'm in Saint-Tropez, I had to check wrist (Wow)
I just bought my girl a new necklace (A new necklace)
1-2-3-4-5-6 (5-6)
I take 'em all, don't matter what the price is (What the price is)
I said I'm sorry mama for my vices (Vices)
She'll never understand what my life is
1-2-3-4-5-6 (Damn)
Shit I'm checking off my bucket list (My bucket list)
You tried to give advice, I don't need it
I've been doing what I want since fetus
What you call a holiday, I call another day
And I ain't never stopping, no apologies
Such a long time
I've been waiting, I've been waiting for a long time
Such a long time
I've been waiting, I've been waiting for a long time
Such a long time I'm in Saint-Tropez, I had to check wrist
