## Bon Iver

I'm tearing up, across your face  
move dust through the light  
to find your name  
it's something faint  
this is not a place  
not yet awake, I'm raised to make  
Still alive for you, love  
still alive for you, love  
still alive for you, love  
In a matter of a month  
from forests, for the soft  
gotta know been lead aloft  
so rid of all your stories  
what I know, what it is, is boring  
wire it up!  
Now breaking new ground
