

# Play With Fire

Nico Santos

It's only been about a couple of days  
You must have gone and put a spell on me  
I can't get you out from under my veins Singing oh my Lord  
She'll be the death of me I'm not the one to normally play the fool  
So tell me brother what's a man to do  
Half mad, half mad  
Going crazy over you  
Singing oh my God  
If you're the fire I'm the fuel Well my mama, yeah she'd always say  
It's stupid to get in between  
A woman who knows what she wants  
Well I guess I made that mistake  
I'm young and foolish or brave  
And she's made her way into my heart  
I gotta get out  
This is what you get when you fall in love  
No one ever said how good it hurts  
I tried once, but it's once too much  
You end up getting burned  
I'm like the gasoline you light the match  
Ain't no one else who can burn me like that  
So I cross my heart, kill my desire  
This is what you get when you play with fire Ooooh ooooh  
This is what you get when you play with fire  
Ooooh ooooh  
This is what you get when you play with fire I'm a pyromaniac it ain't safe  
'Cause you've got troubles written over your face  
You say lover gotta have a little faith  
Thinking that I'd have mercy  
But I know you ain't a saint  
And daddy used to warn me 'bout your kind  
I read the book maybe a thousand times  
Somewhere, somehow  
Missed the warning signs  
'Casue I'm calling up to see If you're around tonight Well my mama, yeah she'd always say  
It's stupid to get in between  
A woman who knows what she wants  
Well I guess I made that mistake  
I'm young and foolish or brave  
And she's made her way into my heart I gotta get out  
This is what you get when you fall in love  
No one ever said how good it hurts

I tried once, but it's once too much  
You end up getting burned  
I'm like the gasoline you light the match  
Ain't no one else who can burn me like that  
So I cross my heart, kill my desire  
This is what you get when you play with fireOoooh ooh  
This is what you get when you play with fire  
Ooooh ooh  
This is what you get when you play with fireFire, fire, ooh ooh ooh  
Play with fire, fire, ooh ooh oohI gotta get out  
This is what you get when you fall in love  
No one ever said how good it hurts  
I tried once, but it's once too much  
You end up getting burned  
I'm like the gasoline you light the match  
Ain't no one else who can burn me like that  
So I cross my heart, kill my desire  
This is what you get when you play with fireFire, fire, ooh ooh ooh  
This is what you get when you play with fire  
Play with fire, fire, ooh ooh ooh  
This is what you get when you play with fireFire, fire, ooh ooh ooh  
Play with fire, fire, ooh ooh ooh
