

# Sexotheque

## La Roux

He wants to know  
What it feels like  
To mess around, mess around  
She wants to know  
What it feels like  
To settle down, settle down He's got the money but  
Oh, it's not enough  
He wants to pounce  
He wants to pounce Never know if he's giving you up  
Are you just not good enough  
Ooh ooh ooh ooh ooh - ooh ooh ooh ooh  
She wants to know why he's not home  
Oh I bet money, money, money I bet  
He's at the Sexotheque  
He never answers the phone  
Oh I bet money, money, money I bet  
He's at the Sexotheque He wants to go  
Where the red lights  
Shine so bright, shine so bright  
He wants to know  
Why he feels so cold inside, cold inside He turns and looks around  
He doesn't hear a sound  
No ones around, no ones around Never know if he's giving you up  
Are you just not good enough  
Ooh ooh ooh ooh ooh - ooh ooh ooh ooh  
She wants to know why he's not home  
Oh I bet money, money, money I bet  
He's at the Sexotheque  
He never answers the phone  
Oh I bet money, money, money I bet  
He's at the Sexotheque She wants to know why he's not home  
Oh I bet money, money, money I bet  
He's at the Sexotheque  
He never answers the phone  
Oh I bet money, money, money I bet  
He's at the Sexotheque She wants to know why he's not home  
Oh I bet money, money, money I bet  
He's at the Sexotheque  
He never answers the phone  
Oh I bet money, money, money I bet  
He's at the Sexotheque (I bet, oh, I bet, I bet)  
She wants to know why he's not home

Oh I bet money, money, money I bet  
He's at the Sexotheque I bet, oh, I bet,  
He's at the Sexotheque  
He's at the Sexotheque Ooh ooh ooh ooh ooo - ooh ooh ooh ooh  
Ooh ooh ooh ooh ooo - ooh ooh ooh ooh  
Ooh ooh ooh ooh ooo - ooh ooh ooh ooh  
Ooh ooh ooh ooh ooo - ooh ooh ooh ooh  
Ooh ooh ooh ooh ooo - ooh ooh ooh ooh  
Ooh ooh ooh ooh ooo - ooh ooh ooh ooh  
Ooh ooh ooh ooh ooo He's at the Sexotheque
