It Might Be You (from "Tootsie")

Stephen Bishop

Time...

I've been passing time watching trains go by All of my life

Lying on the sand watching sea birds flyWishing there would be

Someone waiting home for me

Something's telling me it might be you

It's telling me it might be you

All of my life

Looking back as lovers go walking past

All of my life

Wondering how they met and what makes it last

If I found the place

Would I recognize the face

Something's telling me it might be you

Yeah, it's telling me it might be you

So many quiet walks to take

So many dreams to make

And with so much love to make

I think we're gonna meet some timeMaybe all we need is time...

And it's telling me it might be you

All of my lifeI've been saving love songs and lullabies

And there's so much more

No one's ever heard before

Something's telling me it might be you

Yeah, it's telling me it must be you

And I'm feeling it'll just be you all of my life

It's you, It's you

I've been waiting for all of my life

Maybe it's you (It's you), maybe it's you (It's you)

I've been waiting for you all of my life

Maybe it's you, maybe it's you

I've been waiting for all of my life
