Angel of the Morning

Juice Newton

There'll be no strings to bind your handsnot if my love can't bind your heart. There's no need to take a stand

for it was I who chose to start.

I see no need to take me home

I'm old enough to face the dawn.

Just call me angel of the morning, Angel

Just touch my cheek before you leave me, baby. Just call me angel of the morning, Angel

Then slowly turn away from me.

Maybe the sun's light will be dim

and it won't matter anyhow. If morning's echo says we've sinned

well, it was what I wanted now.

And if we're the victims of the night

I won't be blinded by the light.

Just call me angel of the morning, Angel

Just touch my cheek before you leave me, baby.

Just call me angel of the morning, Angel

then slowly turn away

I won't beg you to stay with me

through the tears of the day

of the years, baby.

Just call me angel of the morning, Angel

Just touch my cheek before you leave me, baby.

Just call me angel of the morning, Angel

Just touch my cheek before you leave me, Darling.

Just call me angel of the morning, Angel

Just touch my cheek before you leave me, Darling.
