

In Summer

Josh Gad

Kristoff: Really? I'm guessing you don't have much experience with heat...

Olaf: Nope! But sometimes I like to close my eyes,

and imagine what it'd be like when summer does come

Bees'll buzz, kids'll blow dandelion fuzz And I'll be doin' whatever snow does in summer

A drink in my hand, my snow up against the burning sand

Prob'ly getting gorgeously tanned in summer

I'll finally see a summer breeze, blow away a winter storm And find out what happens to solid
water when it gets warm!

And I can't wait to see, what my buddies all think of me

Just imagine how much cooler I'll be in summer

Da da, da doo, ah bah bah bah bah boo The hot and the cold are both so intense Put' em
together — it just makes sense!

R-r-r-ratdadat dad dada doo Winter's a good time to stay in and cuddle

But put me in summer and I'll be a — happy snowman!

When life gets rough, I like to hold on to my dream

of relaxing in the summer sun, just lettin' off steam

Oh the sky will be blue, and you guys'll be there too

When I finally do what frozen things do in summer!

Kristoff: I'm gonna' tell him —

Anna: Don't you dare!

Olaf: In summer!
