

A Love from Outer Space

Tahiti 80

She loves me she loves me she loves me
A love from outer space
She loves me she loves me she loves me
A love from outer space
She loves me she loves me she loves me
A love from outer space
A love from outer space
It's true oh I know where she's coming from
Space is where we both belong
Got to tell her in this song
This time nothing can go wrong
This time nothing can go wrong
Take a ticket to ride the space express
Meet the girl in the starstruck dress
She trusts me more than I can ever guess
I just couldn't wait for her caress
She comes from the milky way
She came to earth for my birthday
We worked out hard to communicate
She said I am not a fake
Shalalalalalala hoo
Shalalalalalala hoo
Shalalalalalala hoo
Shalalalalalala hoo She loves me she loves me she loves me
A love from outer space
