

Stuck in the Middle (feat. Cyhi the Prynce)

The World Famous Tony Williams

[Verse 1: The World Famous Tony Williams]

Well I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair

And I'm wondering how I'll get down the stairs [Chorus: The World Famous Tony Williams]

Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you
Yes I'm stuck in the middle with you

[Verse 2: The World Famous Tony Williams]

And I'm wondering what it is I should do
It's so hard to keep this smile from my face

Losing control, yeah I'm all over the place [Chorus: The World Famous Tony Williams]

Clowns to the left of me, jokers to the right

Here I am, stuck in the middle with you [Bridge: The World Famous Tony Williams]

When you started out with nothing

And you found that you're a self-made man

And your friends, they all come crawling

Slap you on your back, and say, "Please"

They say, "Please," they say, "Please," they say, "Please"

Please

They say, "Please," they say, "Please," they say, "Please"

[Verse 3: CyHi The Prynce]

Excuse me, I don't usually hit the movies

On a first date, I think we went and saw Lucy

I heard you're lookin' for a free man

By the way, how you fit in them blue jeans?

I'm 'bout to have a drink, would you like to par-tay?

Chardonnay, let your hair down after a hard day

Now I'm stuck between a rock and a soft place

Which means I'm tryna park my car in your garage space

You gon' really make me beg for it?

You must want me to spend some bread for it

This money, you don't know how many people bled for it

You didn't just see me hit the stage and break a leg for it

So until your head against the headboard

Or I'm dead bored and I can export

Your pretty ass to the closest airport

Plain and simple, treat me like I'm in the Air Force [Verse 4: The World Famous Tony Williams]

Tryna make some sense of it all

But I can see that it make no sense at all

Is it cool to go to sleep on the floor?

'Cause I don't think that I can take any more [Chorus: The World Famous Tony Williams]

Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you[Bridge: The World Famous Tony Williams]
When you started out with nothing
And you found that you're a self-made man
Your friends, they all come crawling
Slap you on your back, and say, "Please"
They say, "Please," they say, "Please," they say, "Please"
Please
They say, "Please," they say, "Please," they say, "Please"[Verse 5: The World Famous Tony
Williams]
Alright
Well I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair
And now I'm wondering how I'll get down the stairs[Chorus: The World Famous Tony
Williams]
Clowns to the left of me, jokers to the right
Here I am, stuck in the middle with you
Stuck in the middle with you
Stuck in the middle with you
Stuck in the middle with you
Stuck in the middle, stuck in the middle
Stuck in the middle with you
And I'm so stuck
Stuck in the middle with you
