

# Why They Call It Falling

Lee Ann Womack

It's like jumpin', it's like leapin'  
It's like walking on the ceiling  
It's like floating, it's like flying through the air  
It's like soaring, it's like gliding  
It's a rocket ship you're riding  
It's a feeling that can take you anywhere  
Chorus - So why they call it falling  
Why they call it falling  
Why they call it falling  
I don't know  
There was passion, there was laughter  
The first morning after  
I just couldn't get my feet to touch the ground  
Everytime we were together  
We'd talked about forever  
I was certain, it was heaven we had found  
Chorus - So, why they call it falling  
Why they call it falling  
Why they call it falling  
I don't know  
But you can't live your life  
Walking in the clouds  
Sooner or later  
You have to come down  
It's like a knife, through the heart  
when it all comes apart  
It's like someone takes a pin to your balloon  
It's a hole, it's a cave  
It's kind of like a grave  
when he tells you that he's found somebody new  
Chorus: And why they call it falling  
why they call it falling  
why they call it falling  
now i know  
why they call it falling  
why they call it falling  
Now I know
