

Put Your Hands On Me

Joss Stone

Verse:

I guess I'm picky with love
Well, baby I give up it's you I choose
Don't keep me waiting
This girl's got things she needs to do
If I was blind, you'd help me see
If I lost my mind, you'd find it for me
Speak on it babe, tell me what do you need
because all I need is you to love me, baby

CHORUS:

Put your hands on me, baby
Put your hands on me, baby
You got me flipping
Put your hands on me, baby
Put your hands on me, baby

Verse:

I can't stop my mind from thinking of you
How am I supposed to function?
Got me feelin' for your lips on my kiss
Oh, I never want no other lover
Baby, I'm hungry
I want and I need

So bring me your sugar,
and pour it all over me baby

CHORUS:

Put your hands on me, baby
Put your hands on me, baby
You got me flipping
Put your hands on me, baby
Put your hands on me, baby
One touch I'm tripping

Verse:

Up till now, my eyes could see
One touch and it's all hazy
I don't know why and I don't know how
but somehow, someway

you've got me
I can't explain, can't comprehend
the world could reach it's very end and all I focus on is him.

The way he moves, he finds his groove
there's nothing left to do but tell the world the truth
cause there's no way out

I love him

I feel him

And ooh, I'm loving those hands

CHORUS:

Put your hands on me, baby
You got me flipping
One more time

Put your hands on me, baby
Put your hands on me, baby
One taste I'm trippin
Just kiss me baby, tell me you're mine
Put your hands on me, baby
