

One

The Birthday Massacre

Caught up in the waves
The death of the day
Sing like sirens in shadows
As blue turns to grey
In youth and decay
Turning oceans to shallows Lying lonely
One is only
Only one
Dying slowly
One is only
Only one
Like smoke on the mirror
Under the pier
Some say it doesn't matter
Crystal is clear
Closer than near
As we climb Jacob's ladder Lying lonely
One is only
Only one
Dying slowly
One is only
Only one
Lying lonely
One is only
Only one
Dying slowly
One is only
Only one
