

# War Eternal

## Arch Enemy

Friend or foe?  
There's no way to know  
Through the battlefield of life  
It's kill or be killed  
So many times  
It's a matter of degree  
From being up on your luck  
To down on your knees  
It's a hellish inferno  
This is war eternal  
They try to change you  
Crush and break you  
Try to tell you what to do  
They'd like to have control of you  
Back against the wall  
In danger of losing it all  
Search deep inside  
Remember who you are  
It's times like these  
When lines are drawn  
Which side of the fence  
Are you standing on?  
There will come a day  
Not so far away  
When the hunter  
Becomes the prey  
It's a hellish inferno  
This is war eternal  
They try to change you  
Crush and break you  
Try to tell you what to do  
They'd like to have control of you  
Back against the wall  
In danger of losing it all  
Search deep inside  
Remember who you are  
This is fucking war!  
They try to change you  
Crush and break you  
Try to tell you what to do  
They'd like to have control of you  
Back against the wall  
In danger of losing it all  
Search deep inside  
Remember who you are
