Royals

Pentatonix

I've never seen a diamond in the flesh I cut my teeth on wedding rings in the movies And I'm not proud of my address In a torn up town, no post code envyBut every song's like Gold teeth, Grey Goose, trippin' in the bathroom Blood stains, ball gowns, trashin' the hotel room We don't care, we're driving Cadillacs in our dreamsBut everybody's like Cristal, Maybach, diamonds on your time piece Jet planes, islands, tigers on a gold leash We don't care, we aren't caught up in your love affairAnd we'll never be royals It don't run in our blood That kind of lux just ain't for us We crave a different kind of buzz Let me be your ruler You can call me Queen Bee And baby I'll rule, I'll rule, I'll rule, I'll rule Let me live that fantasyMy friends and I, we've cracked the code We count our dollars on the train to the party And everyone who knows us knows That we're fine with this, we didn't come from moneyBut every song's like Gold teeth, Grey Goose, trippin' in the bathroom Blood stains, ball gowns, trashin' the hotel room We don't care, we're driving Cadillacs in our dreamsBut everybody's like Cristal, Maybach, diamonds on your time piece Jet planes, islands, tigers on a gold leash We don't care, we aren't caught up in your love affair And we'll never be royals It don't run in our blood That kind of lux just ain't for us We crave a different kind of buzzLet me be your ruler You can call me Queen Bee And baby I'll rule, I'll rule, I'll rule, I'll rule Let me live that fantasyLife is great without a care We're not caught up in your love affair We're bigger than we ever dreamed And I'm in love with being queenAnd we'll never be royals It don't run in our blood That kind of lux just ain't for us We crave a different kind of buzzLet me be your ruler You can call me Queen Bee And baby I'll rule, I'll rule, I'll rule, I'll rule We're bigger than we've ever dreamed
