

Holler

Ginuwine

Baby, holler if you want me
Baby, holler if you want me
Baby, holler if you want me
Baby, holler if you want me It ain't nothing just call my name
I'll be right there 'coz nuthin's changed
I'm still in love with you, I'm sprung
You're my baby-boo, girl I'm tellin' you Girl, you drive my train, you rule
I'm your pet, tell me what to do
Girl, I'm good in my heart, I'm real
Girl, you turn me on with your sex appeal
Baby, holler if you want me
Baby, holler if you want me
Baby, holler if you want me
Baby, holler if you want me
(All you gotta do is scream and holler, babe)
(C'mon and call me, I'll be right there, yes, I will) I'll be there 'coz I'm your man
Sure to give you all I am
Give you all I got to give
Girl, I'm feelin' you, hope you feel me too Have no limits, what I do
Is strictly for just pleasing you
No need to doubt please have no fear
Girl, I'm wanting you and I'll be right here
Baby, holler if you want me
Baby, holler if you want me
Baby, holler if you want me
Baby, holler if you want me
(All you gotta do is scream out my name, yes you do)
(All I gotta do is see you and I'll come running)
