Without You

Harry Nilsson

No, I can't forget this evening Or your face as you were leaving But I guess that's just the way the story goes You always smile but in your eyes your sorrow shows Yes, it showsNo, I can't forget tomorrow When I think of all my sorrow When I had you there but then I let you go And now it's only fair that I should let you know What you should know I can't live if living is without you I can't live, I can't give any more Can't live if living is without you I can't give, I can't give any moreWell, I can't forget this evening Or your face as you were leaving But I guess that's just the way the story goes You always smile but in your eyes your sorrow shows Yes, it shows Can't live if living is without you I can't live, I can't give anymore I can't live if living is without you I can't live, I can't give anymore Living is without you
