LOVERS WHO WANDER

Dion

When she kissed me I was born and she said goodbye And I knew right away I was born to cry Now I'm happy and the joke's on her Cause I found that place for lover's who wander She took my love, said she's not comin back So my world and my sky was all turnin black Now I see the light, I'm wise to her Cause I found that place for lovers who wander A walkin around thinkin about her Never thought I could live without her She broke my heart, I really showed it Look at me now, you'd never know it Now my story can be told with a smiling face I'm the luckiest guy in the human race My dreams have gone for her Cause I found that place for lover's who wander Wo wo wo yeah, she took my love you see Yeah, she doesn't bother me Yeah I found that place to be Yeah, ohhhhhhhhhhhhhhhhh Yeah walkin around thinkin about her I never thought I could live without her She broke my heart, I really showed it Look at me now, you'd never know it Now my story can be told with a smiling face I'm the luckiest guy in the human race All my lovin dreams have gone for her Cause I found that place for lover's who wander Dum dum did it, dum dum did it...
