

# Knee Deep (feat. Jimmy Buffett)

## Zac Brown Band

Gonna put the the world away for a minute  
Pretend I don't live in it  
Sunshine gonna wash my blues away Had sweet love but I lost it  
She got too close so I fought her  
Now I'm lost in the world trying to find me a better way Wishing I was knee deep in the water  
somewhere  
Got the blue sky breeze and it don't seem fair  
Only worry in the world is the tide gonna reach my chair  
Sunrise there's a fire in the sky  
Never been so happy  
Never felt so high  
And I think I might have found me my own kind of paradise  
Wrote a note said be back in a minute  
Bought a boat and I sailed off in it  
Don't think anybody gonna miss me anyway Mind on a permanent vacation  
The ocean is my only medication  
Wishing my condition ain't ever gonna go away Cause now im knee deep in the water  
somewhere  
Got the blue sky breeze blowing wind through my hair  
Only worry in the world is the tide gonna reach my chair  
Sunrise there's a fire in the sky  
Never been so happy  
Never felt so high  
And I think I might have found me my own kind of paradise This champagne shore washing  
over me  
It's a sweet sweet life living by the salty sea  
One day you could be as lost as me  
Change you're geography  
Maybe you might be  
Knee deep in the water somewhere  
Got the blue sky breeze blowing wind through my hair  
Only worry in the world is the tide gonna reach my chair  
Sunrise there's a fire in the sky  
Never been so happy  
Never felt so high  
And I think I might have found me my own kind of paradise Come on in the water it's nice  
Find yourself a little slice  
Grab a backpack of lies  
You never know until you try  
When you lose yourself  
You find the key to paradise
