

Boyish

Japanese Breakfast

Your boyish reassurance is not reassuring when I need it
And all of my devotion turns violent
If you go to her don't expect to come home to me
To me I can't get you off my mind
I can't get you off in general
So here we are, we're just two losers
I want you and you want something more beautiful
Lack of inhibition works wonders in
revealing every demon
And all this confrontation, this suffering
What do you want from me?
If you don't like how I look then leave
I can't get you off my mind
You can't get yours off the hostess
Watched her lips reserving tables
As my ugly mouth kept running
Love me, love me
