

# Cruisin'

## D'Angelo

Baby let's cruise away from here  
Don't be confused baby, the way is clear  
And if you want it you got it forever  
Oh, this is not a one night stand baby Let the music take your mind  
And just release and you will find, baby We're going to fly away  
Glad you're going my way  
I love it when we're cruisin' together Music was made for love  
Cruisin' is made for love  
I love it when we're cruisin' together Baby, tonight belongs to us  
Everything's right, do what you must, baby  
And inch by inch we get closer and closer  
Every little part of each other ooh, baby, baby  
Let the music take your mind  
Just release and you will find, baby We're going to fly away  
Glad you're going my way  
I love it when we're cruisin' together Music was made for love  
Cruisin' is made for love  
I love you when we're cruisin' together We're going to fly away  
Glad you're going my way  
I love it when we're cruisin' together Music was made for love  
Cruisin' is made for love  
I love you when we're cruisin' together Cruise with me baby, baby  
Oh baby  
Oh baby let's cruise, let's flow  
Let's glide, let's open up and go inside  
And if you want it you got it forever  
I can just stay there inside you and love you, baby Let the music take your mind  
And just release and you will find We're going to fly away  
Glad you're going my way  
I love it when we're cruisin' together Music was made for love  
Cruisin' is made for love  
I love you when we're cruisin' together We're going to fly away  
Glad you're going my way  
I love it when we're cruisin' together Music was made for love  
Cruisin' is made for love  
I love you when we're cruisin' together We're going to fly away  
Glad you're going my way  
I love it when we're cruisin' together Music was made for love  
Cruisin' is made for love  
I love you when we're cruisin' together We're going to fly away  
Glad you're going my way  
I love it when we're cruisin' together Music was made for love

Cruisin' is made for love  
I love you when we're cruisin' together
