

# Devil Woman

Cliff Richard

I've had nothing but bad luck  
Since the day I saw the cat at my door  
So I came into you sweet lady  
Answering your mystical call  
Crystal ball on the table  
Showing the future, the past  
Same cat with them evil eyes  
And I knew it was a spell she cast  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you from behind  
Give me the ring on your finger  
Let me see the lines on your hand  
I can see me a tall dark stranger  
Giving you what you hadn't planned  
I drank the potion she offered me  
I found myself on the floor  
Then I looked in those big green eyes  
And I wondered what I'd come there for  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you from behind  
Stay away, look out  
If you're out on a moonlit night  
Be careful of them neighborhood strays  
Of a lady with long black hair  
Tryin' to win you with her feminine ways  
Crystal ball on the table  
Showing the future, the past  
Same cat with them evil eyes  
You'd better get out of there fast  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you  
She's just a devil woman  
With evil on her mind

Beware the devil woman  
She's gonna get you  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you
