

Freedom (feat. Jhené Aiko)

Kris Wu

You could have been anywhere in the world but you're here with me
She gon' lie to you about her whereabouts you'd be with me
Oh oh oh, I really want freedom
She really don't need us
She really can't keep up
I keep falling out of luck
Her eyes got me peaking
And the headache got me gone
I had a pillowtalking and she told me she just want a little freedom
She gon' lie to you about her whereabouts just for some freedom, yeah
She wanna hang with her friends on the weekend, she just want that freedom
Aye, aye, and Imma give it to her, yeah
And Imma give it to her, yeah
And Imma give it to her, yeah
And Imma give it to you all day
You ain't gotta call me
I fuck with you the long way yeah, bae
You say you want freedom
You ain't got a leash on, you ain't coming home, oh well
But where you wanna go you already know
We can blow a [?] on the low (yeah yeah)
I be on my throne, tryna take it slow (aye)
Guess you can control, let's play (aye, skrt)
Cause you know I got the dough
Drift from head to toe
You ain't got to tell no one (what?)
I won't say a thing
I just wait and see if you into me
No fronting (nah)
Give it to me all night
I love the way that you ride
You know what I want, let's go baby (all night)
We can sip this dark wine
Make you want it more yeah
We ain't [?] baby
You could have been anywhere in the world but you're here with me
She gon' lie to you about her whereabouts you'd be with me
Oh oh oh, I really want freedom
She really don't need us
She really can't keep up
I keep falling out of luck
Her eyes got me peaking

And the headache got me gone
I had a pillowtalking and she told me she just want a little freedom
She gon' lie to you about her whereabouts just for some freedom, yeah
She wanna hang with her friends on the weekend, she just want that freedom
Aye, aye, and Imma give it to her, yeah
And Imma give it to her, yeah
And Imma give it to her, yeah Never had a car back, yeah (no)
I've been waiting till you crawl back, yeah (waiting)
And I can handle all that (all that)
Heart on my sleeve but it's all black, yeah aye (all black)
You can tell me all your secrets
You can let your feelings flow (yeah)
When you're feeling really low
And you put it on a show (skrt)
I can be your Romeo (skrt)
Know you runnin' with a pro
I can put it on you every time, yeah yeah yeah (every time)
You know the goal come quick, yeah (you know)
You can play raw no script (you can play)
Taking off we go don't quit, aye (take off)
We can do it all I'm lit, yeah yeah yeah (we can do it)
Give it to me right now
Give it to her all day, yeah (all day)
Reminisce when you come stay (reminisce)
Aye, I got your back like all state (I got your back)
Yeah, what took you back to the old ways You know I got the dough
Drift from head to toe
You ain't got to tell no one
I won't say a thing
I just wait and see if you into me
No fronting
Give it to me all night
I just need my space
No specific reason
Just get out my face
You don't want me leaving
I need freedom, freedom, freedom
