

# Rehab (feat. Tiggs Da Author)

## Tinie Tempah

Your love is my rehab  
Few times up on a Wednesday  
Hell yeah, hear my friends' advice  
But I don't hear what my friends say Yeah, young man lookin' for the Jumpman  
Tryna say good and livin' in [?]  
Feelin' like young J, tryna make Blueprint  
Used to have reason, on my old laptop  
But never still produce it  
Used to gettin' clean cuts, [?]  
Tryna make a little movement  
T Jazz, Henry, okay  
Niggas in my whip lookin' so bae  
Rap carpool karaoke  
Miss Cool's like, "Annie are you okay?"  
You had just turned 21  
I was 19, naive, very young  
Gettin' high, eatin' Chinese, gettin' drunk  
You let me on but you never used to let me come but let me come  
Love is my rehab  
Few times up on a Wednesday  
Hell yeah, hear my friends' advice  
But I don't hear what my friends say Yeah, yeah, virgin, uh  
Virgin, I was still a virgin  
Tryna do theory and we dropped Rehab  
I was still learnin'  
Runnin' from the bayless, tryna get playlist  
Say I'm too urban then I made a banger  
Then I lost grammar  
Couldn't make it to to the surface  
Kells didn't think it was right  
I didn't think at the time  
Just gettin' into this life  
Heard he was prayin' and prayin'  
And prayin' and prayin' 'til I was big time  
Then Prince started turnin' to intuition  
It's was either this, drop or go prison  
Suck a little bit when nobody saw the vision  
You know what it is, you the only one who listened, yeah  
Love is my rehab  
Few times up on a Wednesday  
Hell yeah, hear my friends' advice  
But I don't hear what my friends say Daddy, daddy doing work

Mama, mama doing church  
Copper, preaches doing birds  
Couple exes doing worse  
I don't need your jealousy, yeah  
I don't need your therapy, yeah'Cause love is my rehab  
Few times up on a Wednesday  
Hell yeah, hear my friends' advice  
But I don't hear what my friends say
