

# Talk to Me

## Stevie Nicks

I can see we're thinkin' 'bout the same things  
Yes, I see your expression when the phone rings  
We both know there's something happenin' here  
There's no sense in dancing 'round the subject  
A wound gets worse when it's treated with neglect  
Well don't turn now, there's nothing here to fear  
You can talk to me  
Talk to me  
You can talk to me  
You can set your secrets free, baby  
Dusty words lying under carpets  
Seldom heard, well, must you keep your secrets  
Locked inside, hidden deep from view?  
Was it all that hard, is it all that tough?  
Now, I've shown you all my cards, well isn't that enough?  
You can hide your hurt, but there's something you can do  
You can talk to me  
You can talk to me  
When you're down now  
You can talk to me  
T-t-talk to me  
Though we lay face to face and cheek to cheek  
Our voices stray from the common ground where they could meet  
The walls run high to veil a swelling tear  
Oh, let the walls burn down, set your secrets free  
You can break their bounds, 'cause you're safe with me  
You can lose your doubt, 'cause you'll find no danger here  
You can talk to me  
Talk to me  
When you're down now  
You can talk to me  
You can set your secrets free, baby  
Well, I can see that expression when the phone rings  
And I can see that we're thinkin' 'bout the same things  
Is it all that hard, is it all that tough?  
Well, I know you've taken all that there is, isn't that enough?  
Well, I can see you baby  
I can see you runnin'  
Well, I can see you baby  
Well I can see you runnin'  
Talk to me
