## You're the Reason

## **Victorious Cast & Victoria Justice**

I don't want to make a scene
I don't want to let you down
Try to do my own thing
And I'm starting to figure it out
That it's alright
Keep it together wherever we go
And it's alright, oh well, whatever

Everybody needs to knowYou might be crazy Have I told you lately that I love you?

You're the only reason that I'm not afraid to fly

And it's crazy that someone could change me Now no matter what it is I have to do, I'm not afraid to try

And you need to know that you're the reason why

I don't even care when they say

You're a little bit off Look me in the eye, I say

I could never get enough

'Cause it's alright

Keep it together wherever we go

And it's alright, oh well, whatever

Everybody needs to know You might be crazy

Have I told you lately that I love you?

You're the only reason that I'm not afraid to fly

And it's crazy that someone could change me

Now no matter what it is I have to do, I'm not afraid to try

And you need to know that you're the reason whyIf it was raining, you would yell at the sun

Pick up the pieces when the damage is done

You say it's just another day in the shade

But look at what a mess we made

You might be crazy

Have I told you lately that I love you?

You're the only reason that I'm not afraid to fly

And it's crazy that someone could change me

Now no matter what it is I have to do, I'm not afraid to try

You might be crazy

Have I told you lately that I love you?

You're the only reason that I'm not afraid to fly

And it's crazy that someone could change me

Now no matter what it is I have to do, I'm not afraid to try

And you need to know that you're the reason why
