

# Hidden Agenda

Craig David

c'mon babyde do de de do  
ooh yeah  
c'mon  
now babyhe keeps on saying that he tells you you're the only one  
but everybody knows he's out there having fun  
behind your back and that's a fact  
and it ain't right  
cos he's a fly guy acting like a gentlemanbut back in the day i can still remember when  
he just turned around, wouldn't look twice at you  
and i'm, just being straight with you  
cos he, takes you for a fool  
so you, should be on your guard  
when he thinks you don't have a clue  
and i, think if the truth be known  
that you'll, end up all alone  
when he, gets everything he wants  
so girl open up your eyes and see  
with me  
what you see is what you get (girl i know it)ain't no hidden agenda (And im on it)  
so girlfriend when he's playing around (Yes i know that he's playin around) you'll do well to  
remember  
that what you see is what you get (And I'll show it)  
ain't no hidden agenda (No hidden agenda girlfriend)  
so girlfriend when he's playing around, you'll do well to remember  
now lady  
when he tells you that he loves you and won't give you up  
takes your car and it's your money that be fillin' it up  
look at what he's got, thinks he's hit the jackpot  
and it ain't right  
cos your connections keep him sweet and that's so typical  
he's only in it for himself and that's so cynical  
he'd be out of sight girl if you lost it all  
so i, feel so bad inside  
when he's, cruisin' in your ride  
cos i know, baby late at night, there's some other girl by his side  
and i, wanna let you knowthat he, really ought to go  
and you, should believe in me  
cos i care baby can't you see  
with me  
what you see is what you get (girl i know it)ain't no hidden agenda (and i'm on it)  
so girlfriend when he's playing around (yes i know that he's playin' around) you'll do well to  
remember

that what you see is what you get (and i'll show it)  
ain't no hidden agenda (there ain't no hidden agenda girlfriend) so girlfriend when he's playing  
around, you'll do well to remember now baby girl when he does you wrong  
i'll make sure you're alright, yeah  
i just wanna be your friend  
cos there's no reason to pretend  
and that's the difference with me  
what you see is what you get (girl i know it)  
ain't no hidden agenda (and i'm on it)  
so girlfriend when he's playing around (yes i know that he's playin' around) you'll do well to  
remember  
that what you see is what you get (and i'll show it)  
ain't no hidden agenda (there ain't no hidden agenda girlfriend) so girlfriend when he's playing  
around, you'll do well to remember  
think i'll sing it again  
what you see is what you get (girl i know it)  
ain't no hidden agenda (and i'm on it)  
so girlfriend when he's playing around (yes i know that he's playin' around) you'll do well to  
remember  
that what you see is what you get (and i'll show it)  
ain't no hidden agenda (there ain't no hidden agenda girlfriend) so girlfriend when he's playing  
around, you'll do well to remember baby
